and everyone needs it at all times of the year. Malaria is always about, and the only preventive and relief is to keep the Liver active. You must help the Liver a bit, and the best helper is the Old Friend, SIMMONS LIVER REGULATOR, the RED Z.

Mr. C. Himrod, of Lancaster, Ohio, says: "SIMMONS LIVER REGULATOR broke a case of Malarial Fever of three years' standing for me, and less than one bottle did the business. I shall use it when in need, and recommend it." Be sure that you get it. Always look for the RED Z on the package. And don't forget the word REGULATOR. It is SIMMONS LIVER REGULATOR, and there is only one, and every one who takes it is sure to be benefited. THE BENEFIT IS ALL IN THE REMEDY. Take it also for Biliousness and Sick Headache; both are caused by a sluggish Liver.
